Career Objective

Motivated and detail-oriented software developer with 3.5+ years of experience in .NET technologies, seeking a challenging opportunity to contribute technical expertise and problem-solving skills in a growth-focused organization.

Professional Summary

- 3.5 years of experience in the analysis, design, development, and maintenance of web applications using .NET Framework and .NET Core technologies.
 - Hands-on experience in ASP.NET MVC, .NET Core Web APIs, and web application development using C#, Razor Views, HTML, CSS, JavaScript, jQuery, and AJAX.
 - Proficient in SQL Server: building database systems, writing stored procedures, functions, and optimizing queries.
 - Strong understanding of MVC architecture, business logic layers, and RESTful services.
 - Experience working with Visual Studio (2016–2022), .NET Frameworks (4.5/4.7.2/4.8), and Core versions up to 8.0.15.
 - Self-motivated with excellent problem-solving, communication, and time management skills.
 - Proven ability to collaborate effectively within teams and deliver quality solutions under deadlines.
-

Key Projects

1. Project Name: Nivaran (In House Web-Application with Single Sign On Service)

Link: <https://mapp.ntpc.co.in/nivaran>

Project Details:

Platform: ASP.NET

Database: SQL Server 2019

Purpose: Complaint Management System for NTPC Township, NTPC Plants and NTPC Workspace. **Description:** This application is used to register, monitor and assign complaints to related person/technician and department repair all types of complaints regarding any issues related to Civil, Mechanical, Electrical, Carpentry, Plumber, Desk Telephone and Computer/Laptop in Township, plant or other NTPC office premise. It also includes real time monitoring, email and message service.

2. Project Name: AMS ("Asset Management System" -In House Web-Application)

Link: <https://ccitapps.ntpc.co.in/ams>

Project Details:

Platform: ASP.NET MVC

Database: SQL Server 2019

Purpose: Management and information system for assets provided to the NTPC Employee.

Description: This web application developed for Asset allotting, purchasing, returning and scraping

3. Project Name: ASH Portal (On Web, Client: Power Ministry and CPCB)

Link: <https://cpcbcoalash.co.in>

Project Details:

Platform: ASP.NET MVC

Database: SQL Server 2019

Purpose: Management and information system for ASH Generation and Utilization by NTPC and NTPC partner Thermal Power Plants.

Description: This web-application is developed for all information of Fly-ASH Generation and Utilization by Thermal Power plants to control the pollution. This also includes buyers of Fly-Ash from PAN India.

4. Project Name: BAPIS ("Billing and Payment Information System", On Web, Client: NTPC)

Link: <https://ccitapps.ntpc.co.in/bapis>

Project Details:

Platform: ASP.NET

Database: SQL Server 2019

Purpose: Management and information system for Billing and Payments for NTPC and its Contractors. **Description:** This web-application is meant for all types of billing and payment information for NTPC Plants, Office Premise, NTPC Employees and its Contractors.

5. Project Name: CEA-PM (Project Management)

Project Details:

Platform: ASP.NET Core MVC

Database: SQL Server 2019

Purpose: Details of all New or Running Project construction or Maintenance

6. Project Name: Gypsum Portal (On Web, Client: Power Ministry and CPCB)

Link: <https://ccitapps.ntpc.co.in/gypsum>

Project Details:

Platform: ASP.NET MVC Core

Database: SQL Server 2019

Purpose: Management and information system for Gypsum Generation and Utilization by NTPC and NTPC partner Thermal Power Plants.

Description: This web-application is developed for all information of Gypsum Generation and Utilization by Thermal Power plants to control the pollution. This also includes buyers of Gypsum from PAN India.

Education

- **MCA** – Himalayan Garhwal University, 2020
- **BCA** – CSJM University, 2018
- **12th** – U.P. Board, 2012
- **10th** – U.P. Board, 2010

Personal Information

- **Father's Name:** Shri Kameshwar Nath Tiwari
- **Date of Birth:** 8th July 1994
- **Gender:** Male
- **Marital Status:** Single
- **Nationality:** Indian
- **Languages Known:** English, Hindi
- **Hobbies:** Reading novels, listening to music
